### Before Worship

What are today's texts? (read them together)

What part stuck out to you the most as you read through this text? Why?

What do you think this text means for your life?

Get creative! Take a picture, write a poem, make a poster, piece of art, find a website, describe a video game, movie, video that relates to what you read. Bring it to church on Sunday and share it!

### After Worship

Today in worship I felt:

The best or most helpful thing I saw, heard, felt today was:

What part of the sermon related to your own experience of life?

Were there any parts of the sermon/service that were confusing or differed from your own understanding of the Scriptures? Were there any questions you had about the sermon?

What good news did you hear in the sermon? Why was it good news to you?
