## Extraordinary Congregational Meeting

Dear Holy Spirit family,

I'd like to give you an update on the accessibility renovation that our Renovation Committee has been working on.

Over the summer and early fall we sought out congregational members for the committee who had gifts in the areas of building, planning, codes—that sort of thing. Amy C. is our council representative and also our financial guide. We then began the work of sketching out ideas and checking into how the current space is structured (for example, are there load bearing walls?) Now, we have some very workable sketches!

In October, Council approved an extraordinary congregational meeting to be held at the end of November. Watch for more information and an "official" announcement for this meeting! This is when together we will have the opportunity to learn about the importance of our ministry of accessibility and inclusion, see the layout ideas from the Renovation Committee and offer feedback and ideas. With congregational approval, we then hope that everyone will get behind this project in one way or another. There will be lots of need for fundraising, labour help and more!

Your support is appreciated! The best way to support this project is to come and hear more, offer insights, ask questions and discern how to be involved. We are all an important part of this church family!

Peace,  
**Pastor Trish**
