

Pastoral Update May 15, 2020

Dear friends,

We miss you! As we all continue to cope with COVID-19 we pray for your continued healthy and safety. We know that as the weeks press on, the challenges of social distancing and supporting your families increase. It feels like we will never be the same. In some ways that is true, but God is always the same and always on our side. We trust that God is with us, even as the whole world is shifting.

We strongly encourage you to find ways to stay connected - see our weekly schedule or give us a call. If you are experiencing stress - we are here to help.

Out of care and concern (and practicality!) for one another, we are NOT planning to resume in-person worship at this time. We will reassess regularly. In the meantime, we continue to gather for worship together on our YouTube channel every Sunday morning. Thank you for your encouragement and support.

In prayer for us all,

Pastor Trish & Pastor Lindsey
