|                                 |  |
|---------------------------------|--|
| Parent's Name(s)                |  |
| Address                         |  |
| Home Phone                      |  |
| Daytime or Cell Phone           |  |
| Email Address                   |  |
| Pickup person at end of VBC day |  |

Please note we take 4 and 5 year olds who have not entered Kindergarten in our Preschool Class. The other children are registered in classes based on the grade (K - 6) they will complete in June 2022.

|   | Child #1 | Child #2 | Child #3 | Child #4 |
|---|----------|----------|----------|----------|
| Name  |          |          |          |          |
| Age 4 /Pre-Kindergarten OR Grade completed                              |          |          |          |          |
| Personal Health No.   |          |          |          |          |
| Allergies   |          |          |          |          |
| May we display child's work in church? Yes or no                        |          |          |          |          |
| May we use child's photograph for Thursday night celebration? Yes or no |          |          |          |          |

## Volunteer Information

|      |       |
|------|-------|
| Name | Phone |
|------|-------|

It takes a whole team to make this week work. How can you help out?

- Praying for VBC and all participants
- teaching or assisting in the preschool classroom
- leading or assisting in the craft center
- leading or assisting in the music center
- recreation coordinator
- assisting in the recreation center
- snack coordinator
- assisting in snack preparation
- nursery care coordinator (for volunteers' children ages 3 & under)
- assisting with nursery care
- setup/cleanup for Thursday night celebration
- photographer to take pictures to share on Thursday night

For those of you who can only work specific days, please let us know which days: Mon Tues Wed Thurs Fri

I would prefer to work with ages \_\_\_\_\_

\_\_\_\_\_ I will require childcare while helping with the VBC program - if yes, child's age \_\_\_\_\_
